A WARM WELCOME IS EXTENDED TO ALL OUR PARISHIONERS AND VISITORS WHO ARE WITH US TODAY. WE HOPE THAT GOD WILL BLESS US AS WE WORSHIP HIM HERE TOGETHER AT ST. PHILIP'S CHURCH.

From the Rector's desk:

How many of us look to the experiences of the past with a longing to relive *the good old days*? It may well be that there were many good days, but, in reality we waste precious time if we try to capture them as they were, it is indeed a virtual impossibility. Life is fluid, and, there can be no two identical days, perhaps not even two identical moments, every breath we take is a whole new life we live. The world is an ever-changing place, and, because we live in it, so too our lives are in a constant state of change. We watch our children grow, and secretly yearn for them to remain children, so that we can tuck them in at night and keep them sheltered and safe from an unknown and unpredictable world. Yet we know that children grow to be adults, and, by God's love and grace, and because we nurtured them with that same love, they make their own positive mark on the world. Naturally we learn from, and, are guided by the past, but the reality is we live in the present, planning and shaping the future. Heraclitus, who lived 540 – 480 BCE, was quoted as saying, "*One cannot step twice in the same river*", meaning of course, that reality is an ongoing change. The "*Church*"

too is always in a constant state of change. It makes perfect sense doesn't it? We acknowledge that the Church is the people, and without people gathered for worship there is no church. So, if we are the church, and our lives are constantly changing, the church must change as well, it can be no other way. If we resist change and cling to the past, we will miss out on a wonderful adventure God is calling us to. Honor, cherish and respect the past, for God is the God of every age and generation, but let's be open to what God is calling us to at this present time. I'm sure you have heard the old cliché that our cars have a huge glass windshield to see what is before us as we move ahead, but a much smaller glass rearview mirror to look backwards. Good to remember where we came from but we have to be more focused on what is ahead. I pray that we will, as a parish, be open to change as we move forward here at St. Philip's, always open to new ideas that will enable us to grow in our faith, and be an outpost of God's love and grace, so that others will join with us in the journey of faith we share together.

(Rev. Randy)

A Voice in the Night

One night after Samuel had gone to bed, he heard a voice calling him. Can you match the sentences below with the one who spoke them? Draw a line from the one who spoke to what he said. You will use the speakers more than once.

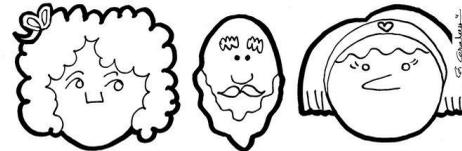

Like Samuel. . .

I will listen and

answer when God

speaks to me.

Add ears and a mouth to these faces. We need to listen with our ears and then speak with our mouths about God and His love.

Congratulations to our parish treasurer, Debbie Collis, on her appointment this past week to the Board of Directors for the Anglican Foundation of Canada (AFC), she will chair the audit committee of the Foundation. The AFC, among other things, provides funds (loans and grants) to dioceses and parishes across the Canadian church, for infrastructure, educational programs, outreach and ministry. This parish was the recipient of a grant from AFC toward the construction of this building. No doubt Debbie will do a superb job for our national church in this position.

Our weekly Bible Study has now recessed until September. We will pick up with our same study by John Ortberg, *If you want to walk on water you have to get out of the boat.* As before, our study will be open to any interested.

Rev. Randy will be taking holidays from July 6th – 27th. During that time provision will be made for Sunday worship, and clergy will be available in cases of urgency. Remaining two weeks of holidays will be reserved for later.

Rev. Randy is always available to do the blessing of homes. As a church family, whenever we open a new worship space we have it blessed. Our homes also ought to be places of prayer and sanctity, so if

anyone would like to avail of this ministry please speak to the rector. Some find this liturgy to be very meaningful, especially upon moving into a new home.

"If money talks, as some folks tell, to most of us it says, Farewell!" When your money talks, does it say, "Praise God, from whom all blessings flow?" Does it say "Thank you, Lord, for saving my soul?" When your money talks, what does it say?
