St Philips Anglican Church

20 Coady's Road

Portugal Cove – St. Philip's

895-0715

Scope of Work

This contract intends the bidders install suitable lighting in the St Philips Anglican Church, replacing the existing lighting system. Work will consist of, but not be limited to, provision of all materials, labour, tools and equipment necessary to complete all work required for the removal and disposal of existing 57 light fixtures in the church and the design and installation of a new LED lighting system capable of providing an area lighting with XXXXX lumens at four feet above the floor suitable for reading from church books. New lighting will be hung to allow easy access for replacing light bulbs. Lighting spread will overlap to provide even lighting. Lighting will be dimmable type fixtures and bulbs. Contractor will provide 10% new replacement bulbs as part of this contract.
