

St. Philip's Annual Christmas Tree Of Remembrance

On Thursday, **December 15th**, at **7:00 pm**, we will be gathering to light our Christmas Tree. The tree will be lit to remember our loved ones no longer with us, but we cherish the memories we have of past Christmas's shared with them.

We will gather around the tree at 7:00 pm, Rev. Randy will read all the names of those we are remembering, a prayer will be said, a Christmas carol sung and the tree will be lit. The bright bulbs on the tree will shine all through the Christmas season to remember our loved ones, but, also to reflect the light of Jesus Christ in our lives and to our world. It will be extra meaningful this year to celebrate light and hope, as we are finally getting back to normal living.

If you would like to participate simply include the following information, place it in a plain envelope, mark it *Christmas Tree of Remembrance*, and place it in the offering plate at worship by Sunday, December 11th or mail it to the church address. Please bring the children as well for this event.
