**March 3<sup>rd</sup>, 2019 (Year C)**

**A WARM WELCOME IS EXTENDED TO ALL OUR PARISHIONERS AND VISITORS WHO ARE WITH US TODAY. WE HOPE THAT GOD WILL BLESS US AS WE WORSHIP HIM HERE TOGETHER AT ST. PHILIP'S CHURCH.**

**From the Rector's desk:** Today brings us to the final Sunday of the season of Epiphany. Since the new year began, we have been celebrating the coming of Jesus, and, the manifestation of his glory and majesty to the world. We now find ourselves preparing for a different season of the year – Lent. Just a little more than two months ago we were caught up in the joy of Christmas, the birth of Jesus, and now we must focus on a more somber mood, as we spend almost two months commemorating the solemn and lonely journey that took him to the Cross of Calvary. We go from almost a euphoria of celebration to our hearts being overcome with sadness and sorrow for what Jesus had to endure for our sakes. When we consider the plan of God for salvation, we realize that the rugged cross on which Jesus was nailed is as important as the stable in which he was born, because God was working out a great master plan to save us. Each year the Church sets aside Ash Wednesday, and, the five weeks of Lent, to give us an opportunity to journey with our Lord. If we only take the time to celebrate his birth and don't pay any attention to his journey in the wilderness, his temptations, his denial by his followers, his loneliness, his arrest, trial and crucifixion, then we are perhaps like some of his earliest disciples and followers – there with him in the great times when he was performing miracles, healing the sick, raising the dead, multiplying food, turning water into wine, but nowhere to be found in his

time of greatest need. I invite you come journey with Jesus this Lent, take the time to reflect on what led him to the cross. We have to make that journey to the foot of the cross before we can truly appreciate the glory of the empty tomb on Easter morning. Lent is also about making our own small sacrifices of self-denial, so that we might better understand the sacrifice Jesus made for us. Perhaps, the greatest sacrifice we can make over the next number of weeks is the giving of a little bit of our time on Wednesday evenings to come together as the parish family of St. Philip's in worship, to make that journey together. Take the whole family and come, it is only by remembering that we can truly appreciate what Jesus did for us. There was a time when our schools made a big deal of Lent, when teachers and pupils left school on Ash Wednesday, paraded to the church and participated in the solemn service, remembering Jesus' temptations in the wilderness, where Satan came to him when Jesus was weak, hungry and tired, and offered him everything if he would deny God. Though most schools no longer do that there is no reason why we can't still take the children to the Ash Wednesday service. The great lesson for all of us from the Ash Wednesday liturgy is that often Satan still comes to us at our weakest and most vulnerable time, and, if we are not fortified by a life of prayer, worship and bible study, we are at great risk of falling victim to his crafty deceit. So, again, take the time this Lent to make that journey, which starts this Wednesday evening, and will continue until we celebrate Easter on April 21<sup>st</sup>. (Rev. Randy)

**A reminder to those who find themselves as patients in our local hospitals,** that hospital chaplains are available for pastoral care. Please don't assume that the chaplain will automatically know you are there. As we know, hospitals are very diligent in protecting the privacy of all patients, so it may be that your name will not be on the visitation list unless you specifically ask for it to be there. When you are admitted please be very clear that you want the Anglican chaplain to visit you if that is your wish.

**Planned Giving is an important teaching of the church.** Our diocese has a Planned Giving consultant that would love to speak to anyone that has an interest in learning more about how this works, especially the importance of having up-to-date wills, that state explicitly what a person's last wishes are for his/her estate. You can visit the diocesan website also to get more information, and, we do have brochures on the table in the foyer. Here is some of the information you will see on the website: *Remember that when you leave this earth, you can take with you nothing that you have received – only what you have given: a full heart enriched by honest service, love, sacrifice and courage. Our parish has been the recipient of planned gifts in the past, from those who wanted to include their beloved church in their will. If you would like to speak to our diocesan consultant, Kevin Smith about this, please call 709-576-6697 or by Email: [kevinsmith709@gmail.com](mailto:kevinsmith709@gmail.com)*

## **Dismissal Song:**

**Go now in peace; never be afraid.**

**God will go with you each hour of every day.**

**Go now in faith, steadfast strong and true. Know he will guide you in all you do.**

**Go now in love and show you believe. Reach out to others so all the world can see.**

**God will be there watching from above. Go now in peace, in faith and in love.**

### **OTHER NOTES**

**Rev Randy is now receiving names for 2019  
Confirmation.** Bishop Peddle will be visiting  
our parish for Confirmation on December 1<sup>st</sup>,  
2019 at the 10:30 am worship service. Once  
the registration process is complete the  
classes will begin in March. The person to be  
confirmed must be at least 11 years of age on  
or before the date of Confirmation. All those  
to be Confirmed should be registered no later  
than February 28<sup>th</sup>.

**Anyone wanting to sign up for Electronic  
Givings** there are forms available from the  
parish office. This takes the place of the  
regular offering envelopes on Sunday  
morning and ensures that even if you are  
away or can't make it on a particular Sunday  
the parish still receives your regular offering.  
This helps the parish to keep up with its  
financial obligations.

**Please keep our building secure.** We have  
had no major security issues, but from time-  
to-time it is good for us to remind everyone  
entrusted with a key to the building that it is  
the responsibility of that person to safe guard  
the key, and to ensure the key is never given  
to any unauthorized person. Please ensure  
that when you use the key to access the  
building it is your duty to ensure that all lights  
are turned out, and, the door securely closed

and locked. If a person receives a key for a  
specific duty and that person is no longer in  
that role the key must be returned so it can  
be given to the new person in that role.

**2018 Contribution Receipts which were not  
picked up have now been mailed out.** These  
are the ones that you will need for income tax  
purposes. Thank you to the congregation for  
your generous offerings to the parish in 2018  
and we look forward to continued support in  
2019. Please see the included thank you letter  
from Rev. Randy.
