

**Collect for the Day:** (In Unison): Eternal Father, who at the baptism of Jesus revealed him to be your Son anointing him with the Holy Spirit, keep your children, born of water and the Spirit, faithful to their calling; through Jesus Christ our Lord who lives and reigns with you and the Holy Spirit, one God, now and forever. Amen

**A WARM WELCOME IS EXTENDED TO ALL OUR PARISHIONERS AND VISITORS WHO ARE WITH US TODAY. WE HOPE THAT GOD WILL BLESS US AS WE WORSHIP HIM HERE TOGETHER AT ST. PHILIP'S CHURCH.**

**From the Rector's desk:**

Today, in the lectionary of the church year, we commemorate *The Baptism of the Lord*. It is especially appropriate that today we have a child to be baptized, *Lucy Virginia Rita Oliver*, and her baptism this morning makes her one with Christ in his baptism, and, part of the family of God. In this age where we are coming face to face with declining church membership across the nation, and, where many have decided the church is not relevant or important to them, it is always refreshing to still have young parents choosing baptism for their children. The baptism of children is always a sign of hope for the future of our church. With so much pessimism and discouraging statistics on church decline in recent times, I refer you to a very hopeful and encouraging article that will be part of the next issue of *The Anglican Journal* titled – "*Green Shoots*": *Community outreach fuels thriving congregations*. In this article it features 5 parishes that are actually bucking the trend, turning things around and beginning to thrive once more. They were parishes and congregations facing the same challenges of declining membership and financial resources that we all face, but, somehow found creative ways to turn things around. In all of these parishes there were some common elements that led to vitality and growth, such as (1) radical change that led to experimenting and taking risks, and, (2) becoming more concerned with the Gospel instead of maintaining institutions, with outreach to local neighborhoods and community. The diocese of Toronto has about one third of its parishes growing, one third staying about the same, and one third in actual decline. The ones growing are those with a fresh vision for the future and a determination to bring the Gospel alive in their community. As our

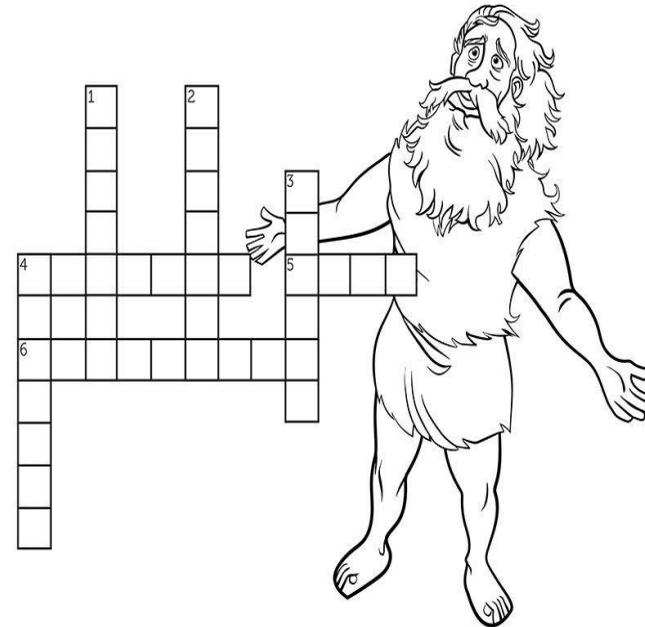

diocese continues to seek ways and means to revitalize our parishes, and, to bring the Gospel more alive in our communities, there will be many challenges, and, it might well be the reality that some parishes and congregations will cease to be, or will exist under a different structure. There are a lot of huge churches that remain near empty on a Sunday morning, and, any life in them is getting sucked away because the few remaining faithful are becoming tired and discouraged from all the hard work of just keeping the doors open. The days of survival for many such churches are quickly drawing to a close. We are in a unique situation here in the parish of St. Philip's that, given much vision and determination, we can be an example to the rest of the diocese of a parish thriving and making a difference in our community. As we begin this new year of 2020, it is my desire that we will find many ways to grow our parish in membership and resources. I hope and pray that we can find ways to reach into our community and engage other people in meaningful and lasting ways. At this time we have a very active, energetic and determined number of people in positions of leadership, and really doing tremendous good work in the parish; however, the reality is that people get older, they grow weary, and eventually can't maintain the same level of energy and commitment, therefore, it is critical that we involve more people in the life and ministry of the parish. This work of *mission* is a collaborative work that calls for work and input from everyone. I hope and pray that by the time we have our annual meeting in late February we will have interest from people in our parish to get involved in serving on a mission committee, geared to finding ways to bring the Gospel more alive around us.

(Rev. Randy)

Randy know, and allow your name to stand for nomination at the annual meeting.

**Today, by way of baptism, we welcome into the church, Lucy Virginia Rita Oliver,** infant daughter of Donald & Heather Oliver. We invite the family to become regular participants in the life of our parish. We would love to see Lucy coming regularly – the best time to start bringing children to church is at baptism and every single opportunity thereafter. If we enable them to grow in the church from the time they are babies they will likely always be a part of the church.

**Thank you to the ACW and the ACM** for a combined contribution to the 2019 parish budget in the amount of \$21,317.11 Each year the Vestry sets a goal of \$7000 from each organization, but, as you can see, they both surpassed this expectation by far. Thank you to both groups and thank you to the members of the parish and wider community for supporting their fundraising efforts. A great job by everyone!

**Thank you to those who have donated the food items for our monthly coffee hour.** Please note that ordinarily our coffee hour is on the first Sunday of the month, but, because it was in the Christmas season January 5<sup>th</sup>, we decided to move it to today. Our next Coffee Hour will be on February 2<sup>nd</sup>. If anyone would like to contribute the snacks for that morning please speak to Lisa Lake (Brown).

## Notes

**Some names got left off the Christmas flower list.** Some of the submitted forms that came in were inadvertently misfiled, and we just discovered them last week. We apologize to all those who gave us the names but didn't see them on the list. We have included all those names on a separate list (located at back of church), and we thank the families for their generous contributions to the Christmas flower fund.

**Many people are signed up with our Direct Giving Plan**, which enables them to make direct offerings through their banking institution on a bi-weekly or monthly basis. That means that if you are away your church is still receiving your regular offerings, which ensures the parish is able to meet its monthly financial commitments. Forms for this are available from the parish office.

**Eastern Health's Pastoral Care, Ethics & Bereavement Services** Department invites people grieving the loss of a loved one to join an 8-week Bereavement Information & Support Group. There are two timeslots available. The first timeslot meets at Health Sciences Centre and begins **January 23, 2020**. Sessions are held Thursday afternoons from 1:30 – 3:30 p.m. The other group option meets at St. Clare's Mercy Hospital and begins February 3, 2020. **There are still a few 2020 church calendars available.** If you would like to purchase one for \$5 please speak to our ACW President (Phoebe Parrell) or check with Rev. Randy in the parish office.

**Invitation to be part of our Mission Team.** As we enter into a new year (2020) we are going to make mission a big part of our congregational development. As the diocese of Eastern Newfoundland & Labrador continues to emphasize the need for parishes to do some work in the area of mission, it is suggesting that every parish institute a mission team with goals and objectives to enable growth, including spiritual growth and renewal. If you have an interest in being part of this team we would love to have you join with us.

**Envelope boxes are still available for pickup** in the foyer. Most of them are already taken but there are still some. If there are any there belonging to your family or neighbors please deliver them. If you did not receive your box of envelopes, or you are new to our parish and would like a box, we have plenty. Call our Envelope Secretary, Charlie Gosse at 895-0585 or the parish office at 895-0715

**Memorial bulletin forms are available in the rack in the foyer** for anyone wanting to place the bulletin in memory of loved ones. The forms are in the envelope, simply fill in the information, enclose your donation and drop it into the offering plate or bring it to the parish office.

**In our efforts to be environmentally friendlier and to have our church more energy efficient** all the lights in the Canon EB Cheeseman Parish Centre, the kitchen and the foyer have been replaced with energy efficient LED lighting. Many thanks to our warden, Gary King, for taking on this project in two stages and completing it. Our next focus in the coming year will be to study the lighting we have in the main part of the church and see how they too can be replaced. This will be a significantly greater undertaking we expect, but, no doubt as always the congregation will support it. In this time of being more conscious of our world, and trying to ensure that the planet is preserved for our children, grandchildren and future generations yet unborn, the church has a duty to be environmentally friendly. So, we are pleased to do our own small part in that by ensuring we decrease our energy consumption as much as possible, and to be better stewards of God's creation.

**Would you like to help out with our Sunday School or Youth group?** We are in great need of more help in this important area of church ministry. If you would consider helping please call Lisa lake and talk to her about it or speak to Rev. Randy. In this time of great change and decline in our Anglican church, having strong children and youth programming will be essential to our survival.
