**A WARM WELCOME IS EXTENDED TO ALL OUR PARISHIONERS AND VISITORS WHO ARE WITH US TODAY. WE HOPE THAT GOD WILL BLESS US AS WE WORSHIP HIM HERE TOGETHER AT ST. PHILIP'S CHURCH.**

**From the Rector's desk** Today is a very special day in the lives of the young people that are coming forth, to receive the laying on of hands by our Bishop, through the sacrament of Confirmation. It is also an occasion of joy and thanksgiving for their families, to see them kneel before the bishop and renew the promises made for them at baptism, to publicly proclaim their desire to accept Jesus Christ as Lord and Saviour, it is an awesome spiritual event in their lives. It is also a time of great celebration for each and every one of us, because, as I have been reminding the congregation in the last number of weeks, we too have a responsibility, and, it started when each of these young people were baptized years ago. There was a time in the life of the Anglican Church, when children were brought to church on a Sunday afternoon, and the only ones present were the parents, Godparents and priest, and, it was a private ceremony. In the course of time the church changed its theology on private baptism, and declared that it should be a celebration for the entire church family, to take place at the chief service of the day, and, to include the sacrament of Holy Eucharist. It determined that baptism is so important to the body of Christ, the Church, that it should be celebrated by everyone. The church was actually recapturing the spirit and importance of baptism that was in the early church. Today, we can do nothing more important than to be here to support these young people as they dedicate

their lives to following Christ. Our responsibility as parents, godparents, and the whole parish of St. Philip's does not conclude today. We now need to work together to encourage them in their faith, and, to explore ways to keep them interested and involved in the life of the parish. We are all well aware of the temptation to drift away from the faith, and the church following Confirmation, many of us did the same thing. The world did not become an easier place to live out the faith, quite to the contrary, there are probably more things to draw young people away from the church today than any time before. We must work together to find a way to make the church an exciting place for them to be; so, how that will look, and how successful we are, will depend largely on our commitment, as parents and parish family to nurturing the faith they proclaim today. I encourage parents to not stop coming with them to worship following today's service, but to really make it a part of what you do together as a family. At the ages these young people are now it's so important to really encourage them. I pray that all of us, the leaders in the parish, will become very creative in finding ways to keep them in the church, their presence and involvement in this parish is vital to our parish life now and into the future. As we nurture their faith today and into the future, let us remember that where they are we once were. I say to each young person being Confirmed today –*This is your church, this is your faith and we are your family.* (Rev. Randy)

**What is PWRDF?** Have you ever wondered what those little blue monthly envelopes in your box of envelopes are used for? The **Primates World Relief & Development Fund** is described by the national church as the *Anglican Church of Canada's agency for sustainable development and relief. Through the support of Anglican parishes across Canada, PWRDF makes financial and human resources available to partners around the world working to improve health, food security and livelihoods for vulnerable people.*

“Working towards a truly just, healthy and peaceful world.” – Micah 6:8

In an age where we want to ensure that our charitable donations get used for their intended purposes we can rest assured that practically every dollar given to PWRDF is used to make a difference in the lives of others in need, whether that is a neonatal clinic in Burundi saving the lives of babies, or providing resources to help families all over Africa become self-sufficient by farming, or making health care more accessible to poor people in Mozambique, to name a few. This year marks the 60<sup>th</sup> anniversary of PWRDF making a difference in the world. This is made possible because you and others make a generous contribution each month in that little blue envelope, or make regular contributions online. Please keep giving so that PWRDF can continue to make a difference.

### **Dismissal Song:**

**Go now in peace; never be afraid.  
God will go with you each hour of every day.**

**Go now in faith, steadfast strong  
and true. Know he will guide you  
in all you do.**

**Go now in love and show you  
believe. Reach out to others so all  
the world can see.**

**God will be there watching from  
above. Go now in peace, in faith  
and in love.**

**As we approach the end of another year,**

your rector and vestry are hoping that we will end the year at least financially on target as a parish. As we try to adhere to the diocesan expectation of parishes to be more ministry and mission minded going forward, we will need to put a special emphasis on envelope givings and less on fundraising. A financially healthy parish is one that meets at least 80 – 90 percent of its annual budget by free-will givings in the offering plate. Many of the folks that do fundraising in parishes are the ones that are getting older and just don't have the energy to keep up with it. We would like to arrive at a time and place where fundraising activities will be used for outreach ministry more than meeting parish budgets out of necessity.

**When do I stand, sit or kneel?** Some call this "Anglican Calisthenics"... sometimes people are confused especially when others around them are kneeling, standing or sitting. but feel free to follow your preferences. Our goal is worship and not conformity, so, whatever you choose to do is right for you.

**Time to get moving with our band!** Rev. Randy would like to meet briefly with those who have signed up, Dr. Greg Brown, Kenny Brown, Trevor Eddy, Dr. Keegan Au and Cathy Squires as soon as possible. Others are invited to be a part of this band as well.
